

# Topline questionnaire

**Pew Research Center**  
**Spring 2021 Global Attitudes Survey**  
**April 14, 2021 Release**

Methodological notes:

- Survey results are based on national samples. For further details on sample designs, see our [international survey methods database](#).
- Due to rounding, percentages may not total 100%. The topline “total” columns show 100%, because they are based on unrounded numbers.
- Since 2007, Pew Research Center has used an automated process to generate toplines for its Global Attitudes surveys. As a result, numbers may differ slightly from those published prior to 2007.
- Not all questions included in the Spring 2021 Global Attitudes Survey are presented in this topline. Omitted questions have either been previously released or will be released in future reports.
