Pew Research Center
Spring 2024 Global Attitudes Survey
August 28, 2024 Release

Methodological notes:

- Survey results are based on national samples. For further details on sample designs, refer to the “How we did this” section of the post, as well as our [international survey methods database](#).
- Due to rounding, percentages may not total 100%. The topline “total” columns show 100% because they are based on unrounded numbers.
- Not all questions included in the Spring 2024 Global Attitudes Survey are presented in this topline. Omitted questions have either been previously released or will be released in future reports.

Questionnaire notes:

The term used for the national leader varied across different surveyed places.

- Respondents were asked about the qualities of the “President” in the United States, France, Indonesia, the Philippines, South Korea, Sri Lanka, Turkey, Ghana, Kenya, Nigeria, South Africa, Argentina, Brazil, Chile, Colombia, Mexico and Peru.
- Respondents were asked about the qualities of the “Prime Minister” in Canada, Greece, Hungary, Italy, the Netherlands, Poland, Spain, Sweden, the United Kingdom, Australia, Bangladesh, India, Japan, Malaysia, Singapore, Thailand and Israel.
- Respondents were asked about the qualities of the “Chancellor” in Germany.
