

**2024 PEW RESEARCH CENTER'S AMERICAN TRENDS PANEL
WAVE 155
Final Topline
September 16-22, 2024
N=9,680**

Note: All numbers are percentages unless otherwise noted. Percentages less than 0.5% are replaced by an asterisk (*). Rows/columns may not total 100% due to rounding. The questions presented below are part of a larger survey conducted on the American Trends Panel.

"No answer" includes web respondents who do not answer the question as well as telephone respondents who refuse to answer or who say that they don't know how to answer. In cases where "Not sure" was offered as an explicit option to web and telephone respondents, the "No answer" category includes only web skips and telephone refusals.

This survey was conducted primarily online, with some interviews conducted by live telephone. This topline shows the programming language for online administration. For details on how questions were slightly modified for phone administration, visit the questionnaire.

American Trends Panel surveys conducted between October 2016 and June 2024 were conducted fully online (with tablets and data plans provided to adults without home internet). American Trends Panel surveys conducted prior to October 2016 were conducted primarily online, with some respondents completing by mail. For additional details, visit the methodology.
