

# Topline questionnaire

**Pew Research Center**  
**Spring 2025 Global Attitudes Survey**  
**April 8, 2025, release**

Methodological notes:

- Survey results are based on national samples. For further details on sample designs, refer to the Methodology section.
- Due to rounding, percentages may not total 100%. The topline “total” columns show 100% because they are based on unrounded numbers.
- Prior to 2024, combined totals were based on rounded topline figures. Going forward, totals will be based on unrounded topline figures, so combined totals might be different than in previous years.
- The U.S. survey was conducted on Pew Research Center’s American Trends Panel. Many questions have been asked in previous surveys on the phone. Phone trends for comparison are provided in separate tables throughout the topline. The extent of the mode differences varies across questions; while there are negligible differences on some questions, others have more pronounced differences. Caution should be taken when evaluating online and phone estimates.
- Not all questions included in the Spring 2025 Global Attitudes Survey are presented in this topline. Omitted questions will be released in future reports.
